

LINFIELD

ATHLETICS

Banner Sponsorship Program Application

Dear Lion Supporters,

We invite you to support Linfield Athletics through the purchase of field and web banner sponsorships for the 2018-2019 academic year. Your corporation, business, school, team and parent group will benefit by gaining exposure to an audience that includes our student-athletes, their family and friends, visiting high schools and their patrons, and a multitude of outside clubs and organizations that use our athletic facilities year-round.

We are excited to launch this sponsorship program with the help of our students, families and friends. This program is a total team effort! All solicitors of this program represent the Linfield Athletic Department. Feel free to contact me should you have any questions or need confirmation of the execution of this program.

Please check the box indicating the sponsorship package you wish to purchase. Return this form with your payment and artwork (see page 2 for digital artwork specifications) to Linfield Athletics, Attn: Anthony Harris 31950 Pauba Road, Temecula, Ca 92592. Please email your artwork to aharris@linfield.com for Linfield Athletics website approval.
